

SLSC High Power Sporting Rifle Match
27 April 2019
Match Report

Friday's rain was replaced with sunny skies on Saturday and very gusty winds too, which made the standing stage of our first HP sporting rifle match of the year more challenging. Nonetheless some very good scores were shot and Mark with his iron sighted AR-15 came away with Match Winner laurels with a fine 303-4x. In the optical sight category it was neck and neck between Steve and myself with youth carrying the day as he out x-ed me by three. I don't recall us ever having three shooters break the 300 point barrier in one of these HPSR matches before. Ray was pushing us hard with his 294-1x, a personal high for him and his standing score in the wind was the highest of the day.

We had a new Junior join us shooting Dayne's AR-15 in his first ever high power rifle match. We hope to see him again. Our next high power rifle match will be the always challenging 50 shot National Match Course which will be held on May 25th. Get those shooting irons zeroed in before the match and join the fun. The 5 shots we allow for sighters is usually not enough, but was meant to be just a final check anyways. More details on that match will come out as the date nears.

Dick Chadwick, Match Director
