

## SLSC High Power Sporting Rifle Match

24 April 2021

### Match Report

It was a bit cool but with no rain predicted until later in the day it turned out to be a good day for a rifle match. Four of the usual suspects (3 shooters and a helper) and two visitors from Calvert County showed up for the festivities. This was Ryan's first match with us and we hope to see him again. Jake was Match Winner with an iron sighted AR-15 and Cody carried the day in the scoped category.

Our next match will be an NRA Approved High Power Rifle National Match Course on Saturday, 22 May. I'll be sending out more info on that match in the near future. If you have any questions about it before then, e-mail me and I'll answer them. Don't be shy, grab a rifle and try these high power rifle matches some time. You may even enjoy it.

My thanks to the faithful few competitors who support the program, setting up for the match and putting the range back in order after the smoke cleared. Special thanks to Mark Swierczek who ran the relay today in spite of having one arm in a sling due to an injury in the line of duty at the club work day the previous weekend.

Dick Chadwick, Match Director
