

**SLSC High Power Sporting Rifle Match
25 September 2021
Match Report**

It was a beautiful Fall day, perfect for a spirited rifle match. Seven shooters showed up for the action, such as it is. When the smoke cleared Jake had won another match, I carried the day for the optical sighted crowd and Jake, on his re-entry set a new HP Sporting Rifle range record in the slow fire prone stage with a perfect 80x80 with 6 x's. This was one "x" higher than the previous record held by Mark, Jakes father. Mom, Andrea, was there to witness the action and participate, giving a good account herself with a score that was a nice improvement over her debut HPSR match in June.

We had one new shooter, Jimmy McAndrew, who I met on the range a few days ago and encouraged to join the fun. He did and I think we will see him again now that he has had a taste of the competition. A little practice and some adjusting of his rifle and equipment and he will be showing us higher scores.

Our next match will be an NRA Approved High Power Rifle National Match Course on Saturday, 23 October. I'll be sending out more info on that match in the near future. If you have any questions about it before then, e-mail me and I'll answer them.

As usual, my thanks to the competitors, members and non-, who show up to shoot these matches and help set up and tear down the range every month. And always a nod to Mark who is always there and ready to run the second relay which gives me a chance to shoot.

Dick Chadwick, Match Director
