

Sanner's Lake IR5050 Rimfire Benchrest Match Report
August 7th, 2022

Afternoon temperatures pushing 90 degrees along with an oppressive dew point that made it feel even stickier didn't stop seven stalwart competitors from venturing out to the Sanner's Lake rifle range for the August IR5050 rimfire benchrest match. While the lack of appreciable wind added to the misery index it also meant that there was the potential for club and individual records to be broken as the wind flags hung limply for most of the afternoon. But, alas, it was not to be as the heat took its toll on everybody! Still, the scores remained decent across the firing line, as Greg Banta and his Vudoo V-22S continued their hot streak at the top of the scoreboard. Meanwhile Jeff Potts and Mark Swierczek had a fiery battle for second place, with lots of scorching back and forth action in the individual score category. See all the scores and details below.

Thanks to everyone for shrugging off the sweltering heat and making it out to the range for some sizzling competition. Next match is on September 4th, which should (hopefully!) bring some cooler weather. See you then!
