

Sanner's Lake IR5050 Rimfire Benchrest Match Report
3 July 2022

Five shooters showed up at the range to celebrate the 4th of July holiday weekend with some festive rimfire benchrest fireworks at the July IR5050 match at Sanner's Lake. After many months of near-misses, Greg Banta finally pushed his Voodoo V-22S over the top, putting all 25 rounds into the ten ring (with well over half of them X's!) on his second string, easily taking first place individual with an outstanding 250-18X as well as first place combined with a blistering 742-44X. Meanwhile the battle for second place was super tight in both the combined and individual categories, with single points and hair-splitting tie-breakers making the difference! Further down in the rankings William Heisler learned the hard way that borrowed guns don't always shoot true and, after switching to Jeff Heisler's 10/22, saw his scores improve markedly in each of his final two strings. See all the scores and details below.

Thanks to everyone for making it out to the range and celebrating the founding of our country with some appropriately American pyrotechnics. Next match is on 7 August, see you there!
