

**Sanner's Lake CMP Rimfire Sporter Match Report
10 August 2019**

All,

A nice summer day, warm but not too humid, perfect conditions for a match! No new shooters this month but several veterans made it to the range and most saw improvements in their scores across the board. Mark Swierczek started strong with a pair of 100-8X scores during the prone stages but saw his chance at a personal best evaporate during the standing stages. Nonetheless his total score of 582-27X was good enough for first place. Following him was Chris Crowley with his bolt action rifle taking second place with a strong 565-11X, while Pat Farrar continues to see his scores improving with every match, finishing third with an excellent 510-6X. Detailed scores are listed below. The Sanners calendar shows the next match is on 21 September...see you then!
