

**Sanner's Lake CMP Rimfire Sporter Match Report
13 July 2019**

All,

Another nice day for a match with temperatures on the high side but not too humid, resulting in a good turnout and a great match! A wide variety of scoped rifles were on the line this time along with several new shooters who are always welcome. This month it was a 10/22 taking the top spot with Mark Swierczek tallying a near-personal best score of 586-32X. The bolt actions were right behind him, though, with Matt Reider taking second place with a strong 573-21X and Chris Crowley rolling into third place with a superb 560-8X. The rest of the shooters posted excellent scores as well, especially the first-timers with untried rifles. Hope to see them back and moving up the scoring ladder at next month's match. Speaking of which, our next match is on 10 August...see you there!
