

**Sanner's Lake CMP Rimfire Sporter Match Report
21 September 2019**

Good day for a match, bright sun, temperature on the warm side but not bad at all! An interesting variety of new and old rifles were on the line this weekend along with a new shooter which is always great to see. This month Jake Swierczek brought his vintage Winchester Model 63 with classic Lyman sights and notched a win in the iron sights category with an excellent 572-13X. Taking second was new shooter John Conners and his 10/22 posting a strong 543-8X, an impressive score for a first-timer. In the optical sight category Matt Reider and his bolt action CZ notched a 579-20X to squeak out the win over Mark Swierczek and his 10/22 who was right behind him with 576-22X. Thanks to everybody for helping out with the match; our next match is on October 12th...see you there!
