

**Sanner's Lake CMP Rimfire Sporter Match Report
14 August 2021**

The previous evening's thunderstorms made for a steamy morning at the range, but that didn't stop the usual suspects from sucking it up and venturing forth to the August rimfire sporter match at Sanner's Lake. We were also joined by two new shooters who put down some excellent scores for their first time out...no doubt they'll be vying for the top spot next time around now that they've got some match experience under their belts! See all the scores and details below. The next match is on October 9th (the September match is canceled), and it should (hopefully) be much less steamy by then. See you there!
