

**SLSC High Power Sporting Rifle Match
24 June 2017
Match Report**

Another beautiful day to shoot rifles at 100 yards. The “x’ ring was pretty elusive today, but everyone had fun anyways. Everyone was using scopes today except Mark. He proceeded to demonstrate that no matter how clearly you can see the target, if you don’t hold the weapon still you will not be stepping onto the winner’s platform. Mark’s score was just one point shy of the elusive Master level for the highest score shot today. Trevor Graves, a junior shooter, tried NRA high power for the first time today and gave a good account for himself with a score that fell just 4 points below the Sharpshooter level. Trevor shoots air rifle on the Calvert high Navy JROTC team so he is not a stranger to competition.

Jesse Williams tried the Woodstock match on the 15th and decided to give our HP sporting rifle match a try. We hope to see him back at our next HP rifle match.

Speaking of next matches the July match will be a vintage military rifle match on July 22nd preceded by the “Woodstock” match for the older military rifles on Thursday afternoon July 20th.

The usual thanks to the competitors for their help in setting up and breaking down the range, and to Mark for running a second relay enabling me to shoot. Our next match will be the NRA Approved High Power National Match Course on May 27th. More details to follow in a couple weeks.

Dick Chadwick, Match Director
