

Sanner's Lake Rimfire Silhouette Match Report - September 2019

Well, the predicted cooler and crisper weather that September was supposed to bring didn't pan out, but that didn't stop a full relay of eight dedicated shooters from heading to Sanner's Lake to break some eggs at the September Silhouette Match. Several new shooters showed up and turned in excellent scores, aided no doubt by good coaching from the regulars. Nobody shot a perfect score this month, but Joe Mund and his Valmet got close with 37 eggs toppled. Congratulations to Joe! Mark Swierczek found out that skipping the sighting shots is not a recipe for success, grazing several eggs and even turning one sideways (see picture below) before he finally windaged his way into second place with 33 eggs dropped. Taking third place was Terry Wanner leading a pack of Ruger Precision Rimfire Rifles with 30 eggs hit, followed by first-timers Royce Grumbles and Frank Torbert tied with 26 eggs down...but Royce takes 4th place with the higher score at 100 meters. Rounding out the top five scores was junior shooter Kaiden Jones showing the old folks how it's done with 25 eggs hit. See all the scores, details, and pictures from the match below.

Our last match of the year will be on October 20th and hopefully it will in fact be cooler and crisper by then. Come on out and finish up the year with a new personal best!

Good coaching by the spotters keeps the new shooters on target!

Turned targets don't count, sadly:
