

Sanner's Lake Silhouette Match Report – September 2022

A light turnout on an otherwise beautiful day but the eggs were cooking and the match came right down to the wire with just a single steel egg spelling the difference when the kitchen timer beeped for the last time! After clearing all of the 100m eggs, Greg Banta thought the match would be over-easy but then out of nowhere three 77m eggs in a row were left un-dropped and defeat was snatched from the jaws of victory! There's no predicting how the eggs will fall in this match, which is what makes it such a challenge. See all the scores and details below:

Place	Name	Rifle	40m	60m	77m	100y	Total
1	Mark Swierczek	Anschutz 1416	10	10	10	8	38
2	Greg Banta	Vudoo V-22	10	10	7	10	37
3	Jeff Heisler	Ruger 10/22	10	10	5	2	27

Note: ties broken by distance: high score at 100y, followed by 77m, 60m, and finally 40m

Last silhouette match of the year is on October 16th; grab your scoped 22LR rifle and see if you have what it takes to be an eggmaster before the year is out. See you there!
