

Sanner's Lake Woodstock Match Report – August 2021

It was another classic Southern Maryland summer sizzler at the August Woodstock match at Sanner's Lake, as the sultry setting made for some seriously sweat-soaked shooting up and down the line. The simmering steambath, though, didn't stop six stalwart shooters from stepping up and setting down some serious scores from start to stop! Jonathan Ramsey returned with his Schmidt-Rubin and hammered out a super-consistent run, posting three nearly-identical 98's adding up to an outstanding 294-10X; just one point off the overall Woodstock match combined score record! Meanwhile, Ron Ferguson and Mike DiZebba kept the race tight with their Garands, as Ron came in second overall with a 278-3X combined while Mike nipped at his heels with a combined 275-4X. Further down the line, Nathaniel Swift saw his Mauser's scores improve with every string, always a good sign, while new Woodstock shooter Jeremy Hanson found that cross-firing with your spotting scope can be nearly as much of a hazard as cross-firing with your rifle!

Note that fully half of all posted scores were in the 90's, an impressive display of accuracy by these vintage warhorses (both shooters and rifles)! See all the scores and details below. One last note: if you plan use a Woodstock match to tune-up and sight-in your Korean War-era rifle in preparation for this winter's Frozen Chosin match, you have just two matches left this year (16 September and 21 October) to git 'er done. See you at one of them!
