

Sanner's Lake Woodstock Match Report – June 2021

Another beautiful afternoon at the rifle range made for great shooting at the June Sanners Lake Woodstock match! Five stalwart shooters shrugged off their workplace/household duties and honey-do's and brought out their vintage warhorses out to do battle against SR-21 targets at 100 yards...and when the smoke cleared it was Jonathan Ramsey and his deadly '03A3 Springfield once again shooting to the top in both the combined and individual categories. If Jonathan keeps adding a point to each string like he did, it won't be long before he hits that elusive perfect 100! Right behind him, however, were both Ron Ferguson and Paul Stephens, with Ron and his reliable M1 taking second place combined and Paul and his classic Winchester 1885 nipping at Jonathan's heels in the individual score category. Meanwhile Mike DiZebba also saw his scores improve each string, always a good sign, while new Woodstock shooter Vicente Montes Cintron worked hard to get his Mosin on paper and saw it finally pay off after applying some judicious Kentucky windage! See all the scores and details below.

Thanks to everyone for taking advantage of the beautiful weather and making a day of it at the range. Next match is on 15 July, see you then!
