Sanner's Lake Woodstock Match Report – May 2022

The beautiful May days earlier in the week gave way to growing summer heat and humidity but six resolute shooters managed to make it out to the range and put on a good show at the May Woodstock match at Sanner's Lake! Jonathan Ramsey made a triumphant return with his Schmidt-Rubin taking the top spot in the combined category once again with an outstanding 288-7X, while Ron Ferguson and his tried-and-true Garand took second place combined with an excellent 275-3X. In the individual category, it was once again a race between Jon and Ron, with Jon's Schmidt-Rubin taking the top two spots and Ron's Garand taking third, with the X-count making the difference! See all the scores and details below. Thanks to everybody for making it out to the range, putting on a fun and competitive match, and helping clean up afterwards. The next match will be on June 16th at the usual time and place. See you there!
