

Sanner's Lake Rimfire Silhouette Match
August 19th, 2018

Weather: Steamy but not sweltering
Number of competitors: Three

It was warm but not too muggy as several new shooters showed up at the Sanner's Lake Rifle Range on Sunday to try their skill at the August Rimfire Silhouette Match. Although estimating his holdovers, Joe Mund managed to score an impressive 12 hits total, keeping the heat on Mark Swierczek who took first place with 16 total hits. Meanwhile Jon Ramsey was right behind Joe with 11 hits total, thereby keeping the heat on everybody. All in all excellent scores for new shooters with untested equipment, and they'll only get better with time!

Scores are summarized below:

Place	Name	Chickens	Pigs	Turkeys	Rams	Total	Notes
1	Mark Swierczek	5	5	2	4	16	Match winner
2	Joe Mund	3	4	2	3	12	New shooter
3	Jon Ramsey	2	3	2	4	11	New shooter

Note: Ties broken by "reverse animal count": high score on Turkeys, followed by Rams, Chickens, and Pigs

Thanks to everyone for making it out to the range and helping with setup and teardown. The next match is on 16 September 2018...see you there!
