

## Sanner's Lake Rimfire Silhouette Match September 16th, 2018

Weather: No hurricane, no rain, slight wind, not bad!

Number of competitors: Two

The turnout was light, no doubt due to the severe weather lurking to our south, but the rains held off, the winds were mild, and the sun even peeked out a few times making for a pleasant September afternoon silhouette match at Sanners Lake. Dick Chadwick made a return appearance after a bit of a layoff and started strong on the chickens and pigs...however, as the match progressed (and the distances increased) he watched as his hits slowly dropped with each new animal. Still, though, he racked up a score in the double digits with 10 total hits, well ahead of his stated goal for the day and keeping the race close down to the wire. Mark Swierczek, on the other hand, stumbled at the start on the turkeys and rams but finally managed to get it together on the chickens and pigs to take the win with 13 hits total.

Scores are summarized below:

Place	Name	Rifle	Chickens	Pigs	Turkeys	Rams	Total	Notes
1	Mark Swierczek	Anschutz 1416	6	4	2	1	<b>13</b>	Match winner
2	Dick Chadwick	Ruger 10/22	4	3	2	1	<b>10</b>	

Note: Ties broken by "reverse animal count": high score on Turkeys, followed by Rams, Chickens, and Pigs

The next match is on 21 October 2018, which will be the last match of the year...the weather promises to be cooler and crisper, so grab your rimfire rifle, come on out, and help us finish the year with a bang!
