

**Sanners Lake Sportsmens Club
High Power Vintage Military Rifle Match
17 November 2018
Match Report**

The day started out with temperatures rivaling our last two "Frozen Chosin" matches but it warmed up nicely as the sun got higher and shooting was quite comfortable. Attendance was a bit sparse but two new faces joined the usual suspects and that is always encouraging to those of us trying to keep high power rifle competitions alive at Sanners.

The M1 Garand ruled today with the top three shooters using them led by Mark's 272-5x.

Many thanks to all the competitors for showing up and helping to get the range set up for the match and cleaning up afterwards. Special thanks again to Mark for running the second relay and especially to Tom Vandenberg who did not shoot but served as Block Officer on both relays which made my job much easier.

This was our last high power match of the year and I want to thank everyone who competed with us during the year for their support. I encourage you all to give our shooting discipline a try. You don't have to be a great marksman to have a good time with us.

Our first match for 2019 will be the fourth "Frozen Chosin" match, again for vintage rifles. It will be held on a suitable crappy (we hope) day in January, probably. More information will be published when available.

Dick Chadwick, Match Director

Official Results Bulletin

Name	Rifle/Cal.	Prone Slow	Prone Rapid	Standing	Aggregate	Place/Category
Swierczek, M.	M1 Garand .30-06	99-4x	87-0x	86-1x	272-5x	Match Winner
