

Sanner's Lake Woodstock Match Report – August 2018

A swarm of shooters brought the heat and a sultry summer brought the humidity, but the sweltering surroundings didn't stifle the scores or the stamina at the August Woodstock Match at Sanner's Lake! Once again the totals were tight, especially in the individual category where the top five scores were all 95's with only X-count (and sometimes not even that!) separating the shooters. Mark Swierczek and the Garand he built at the CMP's Advanced Maintenance Class took the individual win with a 95-3X, while in second place once again the tie-breaking rules were insufficient to decide who won making for a three-way tie between Ray Ziegler, Dick Chadwick, and Mark Swierczek all with 95-1X. For third place Ron Ferguson was right there, hot on their heels with a 95-0X...that's some truly tight competition! In the combined score category the race was close as well, with Mark Swierczek taking the win with a 283-5X followed by Dick Chadwick squeaking out second place with a 276-4X and Ron Ferguson right behind him with a 274-1X. Note that top nine scores in the individual category were all above 90 while the top five scores in the combined category were all above 270, adding to the pressure to hold fast in the heat and keep those groups consistently tight through all three strings!

Thanks to everyone for making it out to the range in spite of the high misery index and letting the rifles show what they can do! The next match will be on September 20th; hopefully it will cool off a bit by then...
